Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

Important Definitions and Policy Provisions:
When Your Coverage Begins and Ends – Your Accident insurance begins when your Life insurance coverage begins. Accident insurance for each of your dependents, if applicable, begins when the person's basic Life insurance coverage under Policy FLX0971120, begins.
A person's Accident coverage ends at the earlier of (1) the date their basic Life insurance under Policy FLX0971120, ends, (2) the date the person is no longer eligible for Accident Death and Dismemberment insurance or (3) the date Accident policy OK 0972477, ends.

Term Life Benefit Reductions and Limitations:
Benefit Reduction Schedule: If you are still employed, your benefits will reduce to 67% at age 70 and 34% at age 75. Your premiums will also reduce to match your benefits.
Limitations: The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details. Benefits will be extended without premium payment until the earlier of the date you are no longer disabled, or the date you fail to qualify for Waiver of Premium or fail to provide proof of Disability.

AD&D Exclusions and Limitations:
Exclusions: Self-inflicted injuries or suicide while sane or insane • commission or attempt to commit a felony or an assault • any act of war, declared or undeclared • any active participation in a riot, insurrection or terrorist act • bungee jumping • parachuting • skydiving • parasailing • hang-gliding • sickness, disease, bodily or mental infirmity, bacterial or viral infection or medical or surgical treatment thereof, except for any bacterial infection resulting from an accidental external cut or wound or accidental ingestion of contaminated food• voluntarily using any drug, narcotic, poison, gas or fumes except one prescribed by a licensed physician and taken as prescribed • operating any type of vehicle while under the influence of alcohol or any drug, narcotic or other intoxicant including any prescribed drug for which the covered person has been provided a written warning against operating a vehicle while taking it • a Covered Accident that occurs while the covered person is engaged in the activities of active duty service in the military, navy or air force of any country or international organization (this does not include Reserve or National Guard training, unless it extends beyond 31 days) • traveling in an aircraft that is owned, leased or controlled by the sponsoring organization or any of its subsidiaries or affiliates • air travel, except as a passenger on a regularly scheduled commercial airline or in an aircraft being used by the Air Mobility Command or its foreign equivalent • flight in, boarding or alighting from an aircraft or any craft designed to fly above the Earth's surface being flown by the covered person or in which the covered person is a member of the crew.
Limitations: For multiple covered losses, benefits are paid for the single largest benefit available. For loss of life, the benefit amount shown will be reduced by the amount of any dismemberment benefits that were previously paid or payable.

Guaranteed Issue: If you are a new hire and you apply within 31 days after you are eligible to elect coverage for yourself, you are entitled to choose any coverage offered up to the Guaranteed Issue Amount, without providing proof of good health. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable proof of good health.
