LEGAL NOTICES

Legal Notices

Health Care Reform

Please note: Our medical plans are considered compliant with the Patient Protection and Affordable Care Act. There are no annual limits, dependent children can be covered to age 26, and in-network preventive care is covered at 100%. Due to Health Care Reform modifications, Women's Preventive Health Services are now covered in-network at 100%.

As new Health Care Reform requirements become effective, our plans will be modified accordingly. We are fully committed to complying with all regulations and intend to notify you as soon as possible of any change(s).

Notice of Dependent Status Verification/Eligibility Audit

Sacred Heart reserves the right to request documentation to substantiate that your dependents are eligible to participate in the benefit plans. At any time, a Dependent Eligibility Audit could be conducted, where all or a random sample of employees will be asked to provide verification of their dependent's status. If you choose to cover a dependent on our benefit plans, please be prepared to provide the necessary documents to prove dependent status and eligibility, if needed.

Open Enrollment Materials as an SMM

This open enrollment communication addresses information on changes coming for the new year, and as such this communication constitutes a "Summary of Material Modifications" or SMM to the Summary Plan Description (SPD) for the Plan, thereby modifying the information previously presented in the SPD with respect to the Plan. Please keep a copy of this SMM with the SPD previously provided to you.

Patient Protection Model Disclosure

Aetna generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Sacred Heart University at (203) 371-7999. For children, you may designate a pediatrician as the primary care provider.

Notice Regarding Special Enrollment

Loss of other coverage (excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage (including COBRA coverage) is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the Company stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment. When the loss of other coverage is COBRA coverage, then the entire COBRA period must be exhausted in order for the individual to have another special enrollment right under the Plan. Generally, exhaustion means that COBRA

coverage ends for a reason other than the failure to pay COBRA premiums or for cause (that is, submission of a fraudulent claim). This means that the entire 18-, 29-, or 36-month COBRA period usually must be completed in order to trigger a special enrollment for loss of other coverage.

Loss of eligibility for Medicaid or a State Children's Health Insurance Program.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program (CHIP) is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or CHIP. If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment.

New dependent by marriage, birth, adoption, or placement for adoption.

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. If you request a change within the applicable timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For a new dependent as a result of marriage, coverage will be effective the first of the month following your request for enrollment.

Eligibility for Medicaid or a State Children's Health Insurance Program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program (CHIP) with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance. If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment.

To request special enrollment or obtain more information, contact Human Resources.

Women's Health and Cancer Rights Act Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prostheses; and
- treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under

this plan.

If you would like more information on WHCRA benefits, please speak with Human Resources.

Notice of Coverage for Newborns and Mothers

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

Notice Regarding Wellness Program

Sacred Heart Wellness Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for HDL, LDL, Total Cholesterol, Hemoglobin A1C, Height, Weight, BMI and Blood Pressure. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$360 annually/\$15 per pay for receiving a biometric screening and completing a health risk assessment. Our weekly payroll employees are issued a credit 2 times a month. The semi-monthly payroll employees are issued a credit with each paycheck. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive \$360 annually/\$15 per pay incentive.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Human Resources.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Sacred Heart may use aggregate information it collects to design a program based on identified health risks in the workplace, Sacred Heart's Wellness Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) health coach or your Primary Care Physician in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources.

Insurance Marketplace Notice

PART A: General Information

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.83% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care

Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage, is often excluded from income for Federal and State income tax purposes.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the insurance carrier's customer service number located on your ID card. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. To get information about the Marketplace coverage, you can call the government's 24/7 Help-Line at 1-800-318-2596 or go to <https://www.healthcare.gov/marketplace/individual/>.

PART B: Information about Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name Sacred Heart University		4. Employer Identification Number (EIN) 06-0776644	
5. Employer Address 5151 Park Avenue		6. Employer phone number 203-371-7921	
7. City Fairfield	8. State CT	9. Zip Code 06825	
10. Who can we contact about employee health coverage at this job? Elizabeth Henderson			
11. Phone number (if different from above)		12. Email address Hendersone2@sacredheart.edu	

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
