THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. THIS IS NOT QUALIFYING HEALTH COVERAGE (“MINIMUM ESSENTIAL COVERAGE”) THAT SATISFIES THE HEALTH COVERAGE REQUIREMENT OF THE AFFORDABLE CARE ACT. IF YOU DON’T HAVE MINIMUM ESSENTIAL COVERAGE, YOU MAY OWE AN ADDITIONAL PAYMENT WITH YOUR TAXES.

This is a hospital confinement indemnity plan. This plan provides limited benefits. It pays fixed daily dollar amounts for covered benefits without regard to the health care provider's actual charges. The benefit payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have.

PLEASE READ THIS CERTIFICATE CAREFULLY

Welcome

Thank you for choosing **Aetna**.

This is your certificate of coverage. It is one of two documents that together describe the benefits covered by your **Aetna Life Insurance Company** (“**Aetna**”) plan for hospital indemnity coverage.

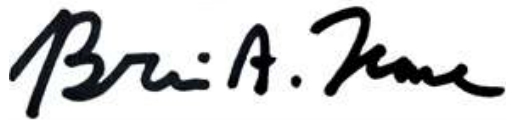

This certificate will tell you about your benefits – what they are and how you get them. If you become insured, this certificate becomes your certificate of coverage under the **policy**, and it takes the place of all certificates describing similar coverage that were previously sent to you. In the certificate is the *Schedule of benefits* section. It tells you about your benefits and maximums.

The second document is the **policy** between **Aetna** and the **policyholder**. Ask the **policyholder** if you have any questions about the **policy**.

Also, each of these documents may have amendments or riders attached to them. They change or add to the documents they’re part of.

Where to next? Flip through the *Table of contents* or the *Let’s get started!* section right after it. The *Let’s get started!* section gives you some details of how your plan works. The more you understand, the more you can get out of your plan.

Welcome to your **Aetna** plan for hospital indemnity coverage.

Let's get started!

Here are some basics. First things first – some notes on how we use words. Then we explain how your plan works so you can get the most out of your coverage. But for all the details – and this is very important – you need to read this entire certificate. And if you need help or more information, we tell you how to contact us.

Some notes on how we use words

- When we say “us”, “we”, and “our”, we mean **Aetna**.
- When we say “you” and “your”, we mean both the **employee** and any of their **covered dependents** unless we say otherwise.
- Some words appear in **bold** type. We define them in the *Glossary* section.

What your plan does – providing benefits

Under this plan, fixed dollar benefits are payable for each day you have a **stay** or receive other services.

How your plan works

Each benefit listed in the *Schedule of benefits* section is only payable once per day.

So what are covered benefits? They are **stays** and other services that meet the requirements in the *Benefits under your plan* section.

Your coverage under the plan has a start and an end. To learn more see the *Who the plan covers and when coverage starts* and *When coverage ends* sections.

Ending coverage under the **policyholder's** plan doesn't necessarily mean you lose coverage with us. See the *Portability* section for details.

Disagreements

We know that people sometimes see things differently. In this certificate we tell you how we will work through our differences. For more information, see the *Claim decisions and appeal procedures for when you disagree* section.

Who the plan covers and when coverage starts

A note on how we use “you” and “your” in this section:

- When we say “you” and “your”, we mean the **employee** only.

In this section we tell you about who the plan covers, how to join the plan, and when coverage starts.

Who the plan covers (who is eligible)

The **policyholder** decides and tells us who is eligible for coverage provided these requirements are met:

- You are **actively at work**
- You are in an eligible class, as defined by the **policyholder**
- You have reached your eligibility date.

When you and your eligible dependents can join the plan

You can enroll yourself and your eligible dependents:

- During the new hire enrollment period
- During the annual enrollment period
- When you want to add new dependents (see the *Adding new dependents and when their coverage starts* and *Who can be on your plan (who can be your dependents)* provisions below)

Once you become eligible for the plan you will have 31 days to enroll. If you do not enroll yourself and your eligible dependents when you first qualify for benefits under this plan, you have to wait until the next annual enrollment period to join.

When your coverage starts

If you enroll, your coverage will start on:

- The date you are eligible for coverage.
- The first day of the pay period after the pay period end date in which a deduction occurs.

If you enroll yourself and your dependents at the same time, your enrolled dependents’ coverage starts on the same date that your coverage starts.

How you and your eligible dependents can join the plan

You can join the plan by completing the enrollment process. You must:

- Send all requested information, and
- Agree to make required **premium** payments.

Important note:

Actively at work rule:

If you are an eligible **employee** who is not **actively at work**, due to **illness, accidental injury**, or leave of absence, the coverage will not take effect until after you have returned to work and have completed one regularly scheduled work week.

This means that you must be **available to work** on the **effective date of coverage** in order to be eligible for coverage under this plan. You are **available to work** if you meet the eligibility requirements, if any, specified by the **policyholder** to govern eligibility for coverage under this plan, or if you have accrued hourly fringe benefit contributions.

This rule also applies to a change in your coverage.

Who can be on your plan (who can be your dependents)

When you enroll, you can also enroll these dependents on your plan:

- Your spouse
- An eligible dependent child who is:
 - Unmarried, and
 - Under age 26, or
 - Over the age limit above who is:
 - Not able to earn his or her own living due to a mental or physical handicap which started prior to the date he or she reaches the limiting age, and
 - Chiefly dependent on you for support.

We require proof of such handicap no later than 31 days after your child's coverage would otherwise have ended due to the age limit. We, at our expense, may require proof that the handicap continues. Such proof may be required no more than once each two years from the date the child reached the age limit.

An eligible dependent child includes:

- Biological children
- Legally adopted children, including any children placed with you or your spouse for adoption
- Stepchildren (meaning children of your spouse)
- Foster children
- Any children you are responsible for under a qualified medical support order, legal guardianship court order, or other court-order (without regard to whether or not the child resides with you)
- Any other child with whom you have a parent-child relationship

In the paragraph above, we use the phrase "placed with you or your spouse for adoption." That phrase means the assumption and retention of a legal obligation for total or partial support of a child in anticipation of adoption of the child.

Adding new dependents and when their coverage starts

If you are already enrolled under this plan and have the following life events, you may be able to add the following new dependents:

- A spouse - If you marry, you can put your spouse on your plan.
 - We must receive your completed enrollment information not more than 31 days after the date:
 - Of your marriage, or
 - Not later than 31 days after you provide documentation required by the **policyholder**
 - Ask the **policyholder** when coverage starts for your spouse.
- A newborn child: Your newborn is covered on your plan for the first 31 days after birth.
 - To keep your newborn covered, we must receive your completed enrollment information within 31 days of birth.
 - You must still enroll the child within 31 days of birth even when coverage does not require payment of an additional **premium** contribution for **covered dependents**.
 - If you miss this deadline, you cannot enroll your newborn until the next annual enrollment period.
- An adopted child: A child that you or your spouse adopt, or a child that is placed with you or your spouse for adoption, is covered on your plan for the first 31 days after the adoption is final or after the child is placed with you.
 - To keep your adopted child covered, we must receive your completed enrollment information within 31 days:
 - after the adoption is complete, or
 - after the date child is placed with you if the child has not been adopted yet
 - If you miss this deadline, you cannot enroll your adopted child until the next annual enrollment period.
- A stepchild: You may put a child of your spouse on your plan.
 - To add your stepchild to your plan, you must complete your enrollment information and send it to us within 31 days after the date of your marriage.
 - If you miss this deadline, you cannot enroll your stepchild until the next annual enrollment period.
 - If you meet this deadline, ask the **policyholder** when coverage starts for your stepchild.
- A foster child: You may put a child that you or your spouse partner foster on your plan.
 - To add your foster child to your plan, we must receive your completed enrollment information within 31-90 days after the date of placement.
 - If you miss this deadline, you cannot enroll your foster child until the next annual enrollment period.
 - If you meet this deadline, ask the **policyholder** when coverage starts for your foster child.
- A court ordered dependent: You may put an eligible spouse or minor child on your plan when you must provide health coverage as the result of a qualified medical support order, legal guardianship court order, or other court order.
 - To add your court ordered dependent to your plan, you must make the request in writing.
 - Ask the **policyholder** when coverage starts for your court ordered dependent.

Important note: A **covered dependent** child cannot be covered under this certificate as:

- Both an **employee** and a **covered dependent** or
- A dependent of more than one **employee**

Premium

A note on how we use “you” and “your” in this section:

- When we say “you” and “your”, we mean the **employee** only.

Premium payments

We require that you make **premium** payments. In this section, we explain how the payments are made.

- If payments are made through a payroll deduction with the **policyholder**, then the **policyholder** will forward your payment to us.

Our Right to Change Premium Rates

We have the right to change our **premium** rates. We will give the **policyholder** at least 31 days prior written notice of any change.

Refund of Unearned Premium

If coverage under this certificate for a **covered person** terminates for any reason, we will promptly refund any unearned **premium** with respect to such person.

Premium waiver

If your **stay** in a **hospital** or **rehabilitation unit** lasts for more than 30 days in a row, we will waive the **premium** beginning on the first **premium** due date that occurs after the 30th day of your **stay**, through the next 6 months of coverage. During such **stay**, you must remain employed with the **policyholder**.

If you are still eligible for coverage under this certificate at the end of the waiver period, your coverage can be continued if you resume **premium** payments.

If your **stay** lasts longer than the **premium** waiver timeframe, we will continue to waive your **premium** until your **stay** ends.

If you have multiple **stays**:

- If we waived **premium** for a **stay** and you have another covered **stay** due to the same **illness** or **accidental injury** within 90 days of your discharge, then:
 - We will treat the **stays** as the same **stay**, and
 - We will not waive **premium** again
- If we waived **premium** for a **stay** and you have another covered **stay** due to the same **illness** or **accidental injury** after 90 days of your discharge, then:
 - We will treat the second **stay** as a new **stay**, and
 - We will waive **premium** for the new **stay** provided you are confined 30 days in a row
- If we waived **premium** for a **stay** and you have another covered **stay** due to a different **illness** or **accidental injury**, then:
 - We will treat the second **stay** as a new **stay**, and
 - We will waive **premium** for the new **stay** provided you are confined 30 days in a row

Before we waive your **premium**, you or your representative must send us a written notice prepared by your **physician** stating:

- The dates of your **stay** in a **hospital** or **rehabilitation unit**, and
- That your **stay** was due to an **illness** or **accidental injury**

When we receive your notice, we will waive your **premium**.

The *Premium waiver* does not apply to **stays** for your **covered dependents**.

How you and we will interpret this certificate

We prepared this certificate according to ERISA, and according to other federal and state laws that apply. You and we will interpret it according to these laws. Also, you are bound by our interpretation of this certificate when we administer your coverage, so long as we use reasonable discretion.

Your coverage can change

Your coverage is defined by the **policy**. This document may have amendments and riders too. We, the **policyholder**, or the law may change your plan. Only we may waive a requirement of your plan. No other person, including the **policyholder**, can do this without our approval.

Legal Action

You are encouraged to complete the appeal process before you take any legal action against us for any expense or bill. You cannot take any action until 60 days after we receive written submission of claim.

No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Physical examinations, evaluations and autopsy

Workers' Compensation

The **policy** is not a Workers' Compensation policy. It does not satisfy any requirement for coverage by Workers' Compensation insurance.

Mistakes and intentional deception

Honest mistakes

You or the **policyholder** may make an honest mistake when you share facts with us. When we learn of the mistake, we may make a fair change in **premium** contribution or in your coverage. If we do, we will tell you what the mistake was. We won't make a change if the mistake happened more than 2 years before we learned of it.

Any statement you or the **policyholder** make is considered a representation and not a warranty.

Intentional deception

If we learn that you defrauded us or you intentionally misrepresented material facts, we can take actions that can have serious effects on your coverage. Examples of serious effects include:

We will be discharged to the extent of any such payment made in good faith.

Change of beneficiary

We will use the most recently signed or electronic beneficiary designation on file with the **policyholder** or us. You can change your beneficiary information at any time by completing a beneficiary designation form. A beneficiary change will be effective on the date you sign the beneficiary designation form, provided it's on file with the **policyholder** or us or if mailed, postmarked prior to your death.

Financial sanctions exclusions

If benefits provided under this certificate violate or will violate any economic or trade sanctions, the coverage will be invalid immediately. For example, we cannot pay group benefits if it violates a financial sanction regulation. This includes sanctions related to a person or a country under sanction by the United States, unless it is allowed under a written license from the Office of Foreign Asset Control (OFAC). You can find out more by visiting www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

Recovery of overpayments

If we overpay benefits, we can:

- Require you or the person we paid to return the money
- Stop paying benefits until the money is paid back
- Take legal action to get the amount owed
- Reduce the amount of a benefit owed by the amount of the overpayment

Unpaid Premium

If you owe past-due **premiums** for your coverage under the **policy**, we can recover them by offsetting what you owe against what we would otherwise pay under the **policy**.

Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between **Aetna** and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue Indemnity Benefits for you and your eligible dependents. Your Employer may also allow you to continue other coverage for which you are covered under the group contract on the day before the approved FMLA leave starts.

At the time you request FMLA leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

If any coverage your Employer allows you to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class. However, coverage facility indemnity expenses will be available to you under another plan sponsored by your Employer.

Any coverage being continued for a dependent will not be continued beyond the date it would otherwise terminate.

If Medical Indemnity Benefits terminate because your approved FMLA leave is deemed terminated by your Employer, you may, on the date of such termination, be eligible for Continuation under Federal Law on the same terms as though your employment terminated, other than for gross misconduct, on such date. If the group contract provides any other continuation of coverage (for example, upon termination of employment, death, divorce or ceasing to be a defined dependent), you (or your eligible dependents) may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you acquire a new dependent while your coverage is continued during an approved FMLA leave, the dependent will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.

Procedure for Amending the Plan:

The Employer may amend the Plan from time to time by a written instrument signed by the Director of Employee Benefits.

ERISA Rights

As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified domestic relations order (QDRO) or a qualified medical child support order (QMCSO).

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
